

## Conveyor Stand TB40 Multisystem

Aluminium profile stand to match Rollco Timing belt conveyors. Available with adjustable fixable feet. Configure your stand together with the timing belt conveyor in our CAD-configurator.

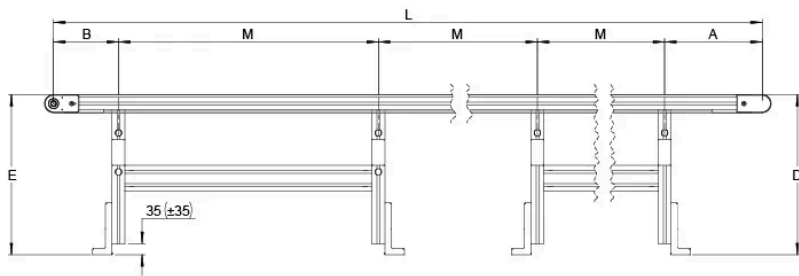

Values shown under "General data" indicates min and max values in mm according to our standard configurations. For other designs, please contact Rollco.

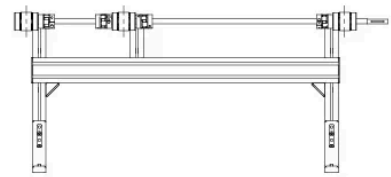

## General Data

Stand TB40 Multi Timing Belt Conveyor  
 $495 \leq E, D \leq 550$

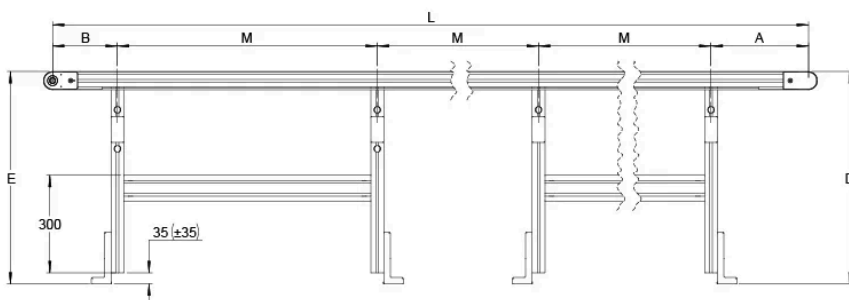

Height of Longitudinal profile follow the undercarriage.

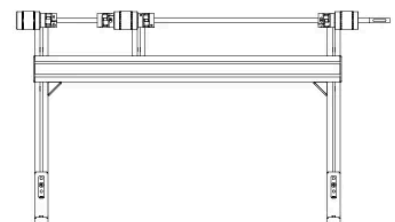

$495 \leq E, D \leq 650$

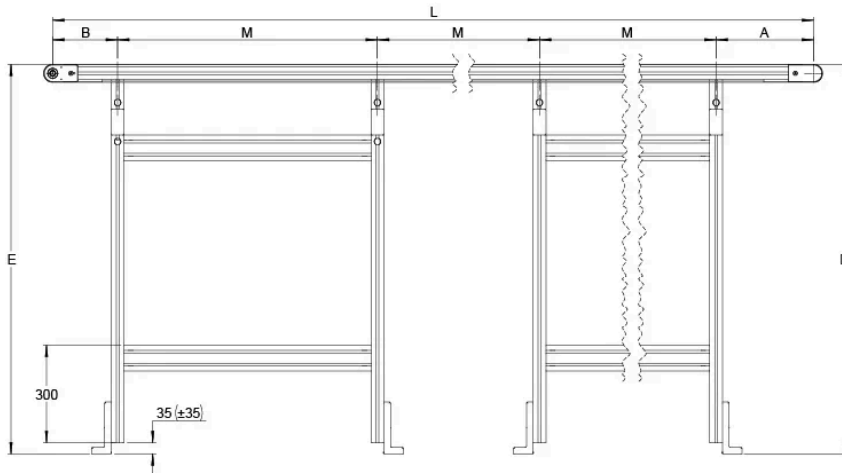

Stand TB40 Multi Timing Belt Conveyor  
 $550 < E, D \leq 900$

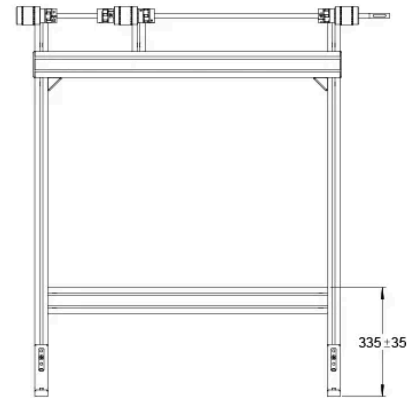

$495 \leq E, D \leq 650$

Stand TB40 Multi Timing Belt Conveyor  
 $900 < E, D \leq 1200$

$650 < E, D \leq 1200$
